FROM THE ASSOCIATE PASTOR

What an exciting day we had this past Sunday! The music and message were just over the top and God moved in a powerful way. We welcomed nine new members to the First Baptist family. Jim and Carolyn Hart joined after just moving here from Denton, Texas. They are neighbors to Vicki and Mike Carr who stopped by to invite them to FBC. Liz and Pat Adams joined after visiting for the past year and a half. Sandra Betrich is part of our Special Friends Class and came on her profession of faith and for baptism. And then Mike and Pollyanna Ferguson joined, Mike on transfer of membership and Pollyanna on her profession of faith and for baptism. Their sons joined with them – Jordan by transfer of membership and Carson for baptism. Mike is one of our Texas State Troopers who helps out with traffic and security on Sundays. Great stories and great additions to our church.

Under the direction of Sam Clem, last Saturday the Special Friends Class sponsored a Vacation Bible School from 9:30 a.m. to 1:00 p.m. in the Fellowship Hall. The time was spent in singing, Bible stories and crafts. Almost 100 adult Special Friends attended with around 200 volunteers coming from our church family to help. What a great blessing this group is to our church and how beautiful to see Sam and his group of workers always so giving and attentive. Thanks from Sam – and from your church – to all of those who helped in any way.

Congratulations to Jerry and JoAnn Lorange who recently celebrated their Fiftieth Wedding Anniversary! Jerry and JoAnn have been members of First Baptist for thirty-five of those years and it was here they

raised their family. We wish this special couple many more happy celebrations along the way.

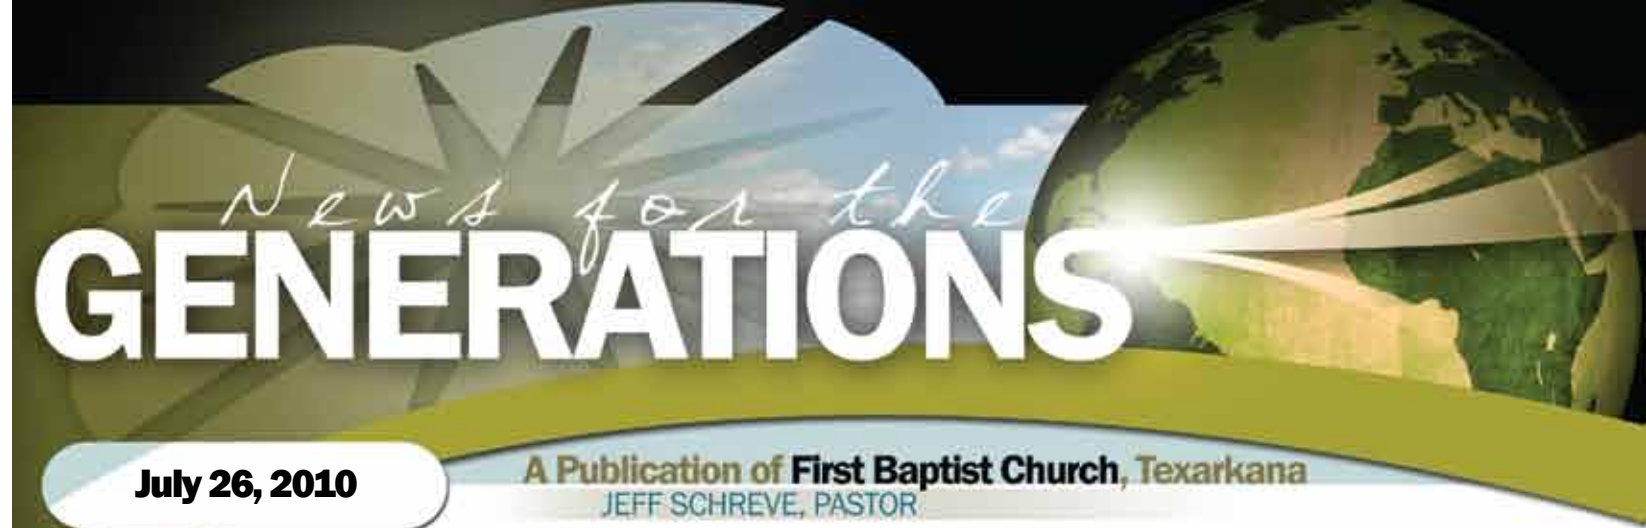

Remember tickets for the Prophecy Conference are now on sale for twenty-five dollars each. This includes the all-day conference as well as your lunch. Dr. Tim LaHaye is one of the guest speakers. He is the author of the incredibly successful "Left Behind" series of best-selling books. This will be a rare opportunity to hear Dr. LaHaye as well as Dr. Ed Hindson and Dr. Gary Frazier. Tickets are available in the East Foyer during the week or in the Atrium on Sundays.

Our College and Young Singles Minister, Mike Beck, and his family have moved into their home located at 36 Holly Ridge – just a few blocks from the church (and from Pastor Jeff!). Part of their belongings are here, part are en route from Portugal, and part has been in storage with their parents in Mt. Pleasant and in Texarkana. (At least they kept their two boys with them the entire time!) It's still unpacking time but we want to make sure and welcome the Becks to First Baptist, to Texarkana, and to the neighborhood.

Final details have been worked out on our fall Senior Adult trip to New Zealand and Australia. We have had a couple of necessary unexpected cancellations so there are four openings in case you or someone you know are interested in going. Brochures are available in my assistant's office or by calling the office at 903.831.6000.

Looking forward to a great day Sunday. (Wonder if Pastor Jeff will call me early Sunday morning from the Philippines and ask me to preach for him!!!) Hope to see you here!

In Him,
 Larry
